

MOMS Foundation Annual Match Program

Stephen Center: Onsite Medical Clinic

Each year, the Metro Omaha Medical Society Foundation asks members to join in supporting a local non-profit. The MOMS Foundation matches the first \$5,000 in donations. This year's goal is to raise \$15,000 for the Stephen Center Onsite Clinic.

ABOUT STEPHEN CENTER:

Stephen Center has served homeless and low-income individuals in Omaha since 1984 and has grown to include a multi-facility campus supporting vulnerable men, women and children seeking to overcome homelessness, addiction, and poverty. They serve approximately 200 people daily.

"At Stephen Center, we hope that program participants never stop dreaming. Our job is to help the homeless achieve housing, the addicted achieve sobriety, the sick achieve wellness, and the fearful achieve strength."

-Michael Wehling, Stephen Center Executive Director

To address the health needs of those they serve, Stephen Center recently established an on-site primary care medical clinic. Providers currently bring their own equipment and supplies and have identified the wish list of items below to outfit their clinic.
